WAXXXX APRES BRAZILIAN EPILATION MASQUE

The Apres Brazilian Epilation Masque is a soothing and moisturizing mask designed for post-Brazilian waxing. Trace Elements in the mask is derived through the state-of-the-art Quantum Technology – which simply means that the active ingredients are now even smaller in molecules speeding up the absorption rate by the skin. This Brazilian Mask helps to repair the newly-waxed skin while tightening and brightening the skin. Best left on for at least 20 minutes.

WAXXXX QUANTUM ENERGY ANTI AGING SPRAY

An ionized spray developed from state-of-the-art nanotechnology and biotechnology from USA, Quantum Energy Anti Aging Spray is a unique formula of natural energy designed to regenerate the skin for a healthier glow. The mist is instantaneously absorbed by the skin, providing free electrons to replace the loss of electrons and oxygen in the skin cells. Eliminating acne, lighten dark spots and pigmentations, improve circulation and metabolic rate in the skin, say goodbye to fine lines, wrinkles, and hello to beautiful skin.

LA PARFAITE CIRE DE RIZ

Formulated with Japanese rice, La Parfaite Cire de Riz Wax melts below 35 degrees and its low temperature makes waxing a breeze. Enriched with nourishing vitamins from the rice combined with the natural pine rosin, it moisturizes the skin during the wax process and prevents any irritation. Suitable for sensitive skin and fine hair.

INFRAMED (S) PTE LTD

ISKIN® UPLIFTING COMPLEX SERUM

Encompassing powerful and effective natural peptides, ISKIN® Uplifting Complex Serum helps to increase hydration, prevent premature ageing of the skin, and reduce fine lines induced by facial movements. Within two weeks, skin is visibly healthier, hydrated and more youthful. Suitable for all skin types.

ISKIN® BOTOCOS UPLIFTING COMPLEX CREAM

With the ISKIN® Botocos Uplifting Complex Cream, lift up signs of ageing easily. The cream, containing powerful natural peptides with other humectants and antioxidants in a luxurious moisturizing base; stimulates collagen synthesis, helping to regenerate and refine the skin. No more fretting over fine lines and wrinkles, moisture retention is heightened along with firmness and elasticity. Suitable for normal to dry skin.

ISKIN® SUPER DEFENSE SERUM

A strong defence starts with a superior formula. The ISKIN® Super Defense Serum is an undefeatable serum that promotes collagen production and skin strengthening. Rebuilding loss of elastin and erasing fine lines and wrinkles, it keeps the underlying skin youthful and plump, whereby a multitude of protein peptides regenerate the skin below the surface. A unique formula of tri-molecular weight of Hyaluronic Acid rejuvenates and moisturizes all skin layers. Suitable for all skin types, the elite rejuvenator is ideal for post procedures such as lasers, IPL, microdermabrasion and chemical peels.

Genosys ND Cell Range

The neck and décolleté area are often forgotten in our beauty regime when indeed, they require the most delicate care due to thinner skin, less active metabolism and various detrimental environmental factors. Enter Genosys' ND Cell Neck and Decollete Care System, which provides an unsurpassable firming effect, leaving the

area silky smooth. From the EZ CO2 Neck Kit, Anti-Wrinkle Serum, Calming Neck Mask to an Anti-Wrinkle Cream, this range has been formulated with anti-ageing, moisturizing and depigmenting benefits for a wholesome neck and décolleté care.
